BA 102

Media Blast/ Impact Tape

Description:

BA 102 is a single sided media blast tape used as a sandblast stencil. Computer cuttable, BA 102 is designed to be used with most computer plotters. BA 102 is available in friction feed and slot or tractor feed designs.

Features & Benefits:

- Aggressive adhesive
- Backing prevents stretching and design distortion
- Cut lines show up clearly
- Ideal for hand and die-cutting
- Withstands the heavy blasting used to create crisper, deeper images in stone, wood and other surfaces

Applications:

Blasting / Media Blasting | Die-cutting | Masking | Surface Protection
