

BA 103

Blast Impact Tape – Media Blast

Description:

BA 103 is a heavy-duty single sided media blast tape engineered for protective masking of surfaces during dry paint stripping processes and extreme surface protection. The high tack acrylic adhesive provides instant adhesion to clean, dry surfaces. The soft vinyl backing is highly flexible and conformable to irregular or curved surfaces, while holding firmly to the production surface. Thickness throughout the roll is very consistent, allowing maximum blast times. BA 103 also provides clean removal post process and use.

Features & Benefits:

- Aggressive adhesive
- Backing thickness allows for maximum blast times
- Clean removal
- Conformable

Applications:

Dry paint removal

Media blasting
