

Our Products

Aerospace Materials for Space, Aircraft Manufacturing, MRO and Composites

We stock, convert and supply a wide range of spec-driven and commercial aerospace materials required in Space, Aircraft Manufacturing, MRO and Defense applications.

While our primary materials are **Tapes, Adhesives, Films, Foils & Fabrics**, we supply hundreds of other products, including rubber, metals, gaskets, thread, ablative cork, cable & tubing, foams, solder, fasteners and myriad other materials in support of Our Customers

As a **Preferred Converter**, we kit, slit, print, die-cut and laminate – prototype to finished custom product.

Our Products

Aerospace Materials for Space, Aircraft Manufacturing, MRO and Composites

Material Management

As industry specialists we bring **added value** to the supply chain with a higher level of **expertise** and **service**:

- Minimal Lead-Times
- On-time Delivery
- Accurate Documentation: Traceability
- Shelf-Life Management
- Mil Spec & Special Packaging
- Expanding Solutions to meet Specs
- Material Updates

BRON AEROTECH

aerospace materials to spec

1.800.782.8807

bronaerotech.com

service@bronaerotech.com

AS9100D + ISO 9001:2015

Certified through NSF-ISR

Tapes, Films, Foils & Fabrics:

Composite Process

Flash Tapes: Silicone Free, Silicone Adhesives
Teflon / PTFE Mold Release Tapes, Films, Fabrics
Holddown, Mounting & Splicing Tapes

Masking

Window Mask
Paint and Protective Coating Mask
High Temp Masking
Thermal Spray / HVOF Masking
MediaBlast Masking
Fineline Tape
Chemical Bath Mask
Surface Preparation

Interior

HVAC Duct Tape
Hook & Loop
Insulation Blanket Seaming & Patch Tape
Cargo Pit Seaming Tape
FR Double Coated Cloth Carpet Tapes
FR Glass Cloth Tapes
Corrosion Control Vinyl Tapes

General Structure

Leading Edge Tape
Surface Protection Films
High Temp Foil /Glass Tapes
High Bond Attachment Tapes
Adhesive Transfer Tapes

Transportation & Storage

Preservation Tapes
Surface Protection Films

Wire Harness Protection

Kapton® / Polyimide Tapes
Teflon® / PTFE Tapes
Sleeving
Electrical & Electronic
EMI Shielding
Copper / Aluminum Foil Tapes
Heat Shrink Tubing

Multi-Purpose

UHMW
Duct Tapes- all colors
Rivet Tape
Pre-Cured Silicone Rubber
Security Tape

Space

Thermal Control Tapes, Films, Fabrics
(MLI)
Surface Protection Films
Ablative Material Bonding
